### Goal: 600,000 Meals

Because 1 in 7 neighbors without food is a scary thing, dozens of businesses just like yours join us each year in one of the nation's most successful grassroots campaigns to feed the hungry. Will you help us reach our \$200,000 goal this year? Over 600,000 meals will grace the tables of local families impacted by the current health crisis.

**Rules:**            **\$1 = 3 Points**

Donations made between October 1<sup>st</sup> and 31<sup>st</sup> will count towards your total

**Awards:**            **The Company with the Most Points Wins!**

Trophies will be award to the points leaders in each business-size category in both Georgia & South Carolina

**Why:**                **Calls for Help have Tripled**

Since the shut-down last March, food insecurity has risen 31% across our 19 counties, and calls for help are coming in at 2 times the normal rate. At Golden Harvest Food Bank, our food costs are up 15% due to pandemic related shortages, and you can help us fill this gap. Every dollar you donate provides 3 meals to local families.
