GOAL: 1 MILLION MEALS!

1 in 7 neighbors without food is a scary thing. That's why businesses across the CSRA join us each October for one of the nation's most successful grassroots campaigns to feed the hungry. One million meals is a big number. We can't do it without YOU! Will you accept the challenge and help us reach our goal this year?

WHY: BECAUSE OUR NEIGHBORS NEED US MORE THAN EVER!

Every day we hear a new story of an individual or family struggling to get enough food. As you know, the cost of living has drastically increased, and many families are making tough decisions on how to make ends meet. Some even must choose between their medications or power bill or buying food. It's Spooky to be Hungry is one of our biggest efforts to raise food, funds, and community awareness. By competing, you're going to make a difference in the lives of individuals and families who struggle to get enough to eat.

RULES: \$2 = 5 MEALS

All donations made between October 1st and November 7th will count towards your competition goal.

AWARDS: THE COMPANY WITH THE MOST POINTS WINS.

What's a competition without bragging rights? Trophies will be awarded to the leaders in each business-size category in both Georgia & South Carolina. Whether you are a small business or a large corporation, this competition is for you!
